Preparing Worship Services Honoring Armaaruss (Thursday rituals)

Anthony of Boston · 5 min read · Jul 7, 2025

Here is a general outline for worship services under Mars 360 and Armaaruss as revealed to me by the adversary himself back in 2020.

In the Sudo Agonai, Chapter 6, verses 518–526 says “⁵¹⁸After the burning of incense to the gods of war who were wounded and yet lived, perform a reading of the word of the Satan.(see weekly reading assignment) ⁵¹⁹Then dip the signature of the cosmos into the pan of water, which is the water of life. ⁵²⁰After the silence, dip the signature into the bucket of fire to commemorate the Land Beast and Mars 360 who awaits the face of the Satan. ⁵²¹Then take the gold and silver and moneys and throw them out of the windows of the temple, for the desires of women have

been purged from the souls of the pacifists since our money is cryptic.

⁵²²Perform another reading of the word of the Satan. ⁵²³Allow the “1” to give a homily which belittles and curses directly the pacifists in attendance, for this is the code of Mars 360. ⁵²⁴And then let the “4” give a homily with his back turned to the assembly, which indirectly insults the pacifists who are in attendance, for this is the brotherhood of Mars 360. ⁵²⁵End the ceremony with ashes on the forehead that display the number of the seal of where Mars is located in the person’s cosmic signature. ⁵²⁶Conclude the ceremony with a song by the choir in the pitch of Gregory.

The mythos is to be read at the beginning of every ritual

Next is to burn incense to Armaaruss, commemorating all the gods of war

Now perform a reading from “The Sudo Agonai”

After the reading, place the paper with the astrology chart for the day into a bucket of water, which is the water of life

10 minutes of meditation

Take the paper out of the bucket of water and place it into the bucket of fire to commemorate the Land Beast and Mars 360 who await the Adversary(Satan)

Then take gold, silver and moneys(any valuables that people bring to the ceremony to discard) and throw them out of the window

Perform another reading from the Sudo Agonai.

Bring forth the “Mars-1” to give a homily castigating everyone in attendance.

Bring forth a “Mars-4” to give a homily with his back to the audience

End the ceremony by placing ashes on the forehead of the Mars-number of each person. (each member in attendance should already have the mark on the right hand to show for marking on the forehead)

Conclude the ceremony with chants and sacred music with the “Pitch of Gregory”
